

OP-875_Test_Cases

Remove Coloured bars from UI

Summary: The Home screen has place-holders for additional content which we aren't ready for. Given that this screen will be visible by a customer, we need to hide this content until we are ready for it.

Pre-Conditions:

1) Login to OPEN UI: apipartners12-staging.lumesseopen.io/

Username: to be asked to the admin

Password: to be asked to the admin

Sno	Test Step Description	Expected Behaviour	Comments
TC_UI_01	Type the above mentioned URL in the address bar	It should lead one to the login page	yes
TC_UI_02	Mention the credentials into their respective fields (user credentials) and click on login	One should be logged in as user where on home page a clean platform with no coloured bars displaying "some text" should be seen	yes
TC_UI_03	Click on logout	One should be logged out displaying the login page of OPEN UI	yes
TC_UI_04	Mention the admin credentials and click on login	One should be logged in as admin where on home page a clean platform with no coloured bars displaying "some text" should be seen	yes
TC_UI_05	Click on logout	One should be logged out displaying the login page of OPEN UI	yes
TC_UI_06	Login with API Partners's credentials	One should be logged in as API Partners where on home page a clean platform with no coloured bars displaying "some text" should be seen	yes
TC_UI_07	Click on logout	One should be logged out displaying the login page of OPEN UI	yes
