# OP-843_Test_Cases

Elements being opened in new tab asks for credentials

Summary: When items from the menu in OPEN UI are trying to be opened in new tab, it does lead one to a new tab but doesn't display the required data instead, asks one for login credentials.

Pre-Conditions:

1) Login to OPEN UI: apipartners12-staging.lumesseopen.io/

Username: to be asked to the admin

Password: to be asked to the admin
